The Friends of the Greenview Playground Redevelopment Society are proud to announce that after more than six years of planning, the Greenview Park Playground is currently in the process of being rebuilt and is hoped to be finished in November 2016. This playground requires the most work of the 3 playgrounds recently rebuilt in Woodvale (Hillview Park Playground in 2014 and John Paul 1 Playground in 2015) as it also requires all new concrete and infrastructure work. The playground area will be fenced off until the work is completed and appreciate the community's understanding as construction vehicles will be accessing the site from 38 Avenue during this time.

Front Yards in Bloom 2016

There were many great looking front yards nominated in Woodvale this year and congratulations to all! Our top two yards selected were at 280 Greenoch Cr as 1st place (home of Colleen Elston and Bruce Pawl) and in 2nd place 6307-34 B Ave (home of Anne and Mike Giles). Congratulations to the winners and thank you to Rio Can and Mill Woods Shopping Centre for providing the winners with gift cards to Canadian Tire. The winners in Woodvale were included in the city wide competition with the overall top 3 city winners announced at the Citadel Theatre on August 25, 2016.

Woodvale- Mill Woods- a great place to live

We bought our home in 1980, second child on the way, when mortgage interest rates were up to 18%. Our expectation is that we would stay in our Woodvale home for maybe 5 years before moving on. The friendly, fun and safe area - full of community spirit kept us there for 36 years. Our 3 children made friends, as we did, and became involved in sports and community activities. We volunteered in various areas and watched Woodvale and Mill Woods grow and develop. It would frustrate us hearing negative comments about Mill Woods. We had great neighbours who watched out for each other. In winter if you weren't up early enough a neighbour would shovel your walks before you could- then you'd try to beat them the next snowfall. If you weren't out for a few days you'd get a call to see if all was okay. Not intrusive - just caring. Years later we are moving out of our family two story home as it is time for a bungalow. Our home sold to a young family, and two neighbours- Roxanne & Dwight Streu, and Jacqueline & Richard Foisy approached us and organized a block party farewell for us. Our crescent was closed off, neighbours met in the cul de sac for a wonderful BBQ- sharing food, memories and friendship. They welcomed the new family who bought our home as they were invited to meet their new neighbours. Byron & Jennifer we wish you happiness in your new community and home. Dear neighbours - thank you from the bottom of our hearts for being part of our lives- and for making it better. Your caring will always be remembered.

Wayne & Pat Fedor
