

COVID-19 Operations Update for Woodvale

Hello Woodvale Community,

Woodvale Community League's (WCL) top priority is to ensure the safety of our community so we have been closely monitoring the evolving COVID-19 situation. After much consideration, the League has decided to implement the following measures:

Facility Closure

Following the "mass gathering restrictions" within the State of Emergency declared in Alberta, the following facilities/activities are closed until further notice:

- The Woodvale Facility - Facility bookings for the near future have been cancelled/refunded and those bookings further out, will be evaluated as things progress. No additional bookings will be accepted at this time. During the facility closure, we are undergoing some minor maintenance and continuing with thorough cleaning to ensure the safety of the facility when we re-open.
- The Woodvale Activity Center
- The Woodvale Playschool
- The WCL hockey and skating rinks
- The Woodvale playgrounds at Greenview, Hillview and John Paul
- Bingos

Community Engagement and Support for Woodvale

We continue to be so proud of the Woodvale community. Several individuals have reached out to express their interest in supporting each other within the community during this trying time.

We expect that some of our residents have self-isolated or are quarantined and may require support. For individuals who would like to offer support to others who are self-isolated or quarantined, we certainly encourage that residents check in with your neighbors, particularly those who are vulnerable or have mobility issues, however, please follow safe practices and guidelines for interaction to avoid spreading illness. If you need help or you would like to be added to a list of volunteers willing to help, please contact Margaret, our facility manager at (780) 462-2101 Ext. 1 and leave a message. Your call will be returned. You can also send us an email at woodvalecommunityfacility@shaw.ca Seniors seeking support can also contact the Millwoods Senior Association at (780) 496-2997.

Staying Connected

WCL is exploring options for safe ways to get out (or stay in) and stay connected while adhering to social distancing principles like ravine walks. Let us know if there is something you would like to do or share with the community during this time.

The League is following the information provided by various federal and provincial health agencies and all levels of government and is committed to implementing appropriate measures as new information emerges.

Keep checking our website at <http://www.woodvale.org> with our new COVID-19 links and our Woodvale Community League Facebook page at <https://www.facebook.com/woodvalecommunityleague/> for the latest information.

Please remember to practice self-isolation/social distancing. Stay safe Woodvale!

Mark Klotz
President, Woodvale
