

Woodvale Community League is hosting:

**Community League Day
September 15, 2018
1pm – 3:30 p.m.
John Paul I Catholic School
5675 - 38 Avenue NW**

We have a lot of families in need in our area so we host Community League Day to provide a meal and safe, fun and educational entertainment for the kids.

The Woodvale Community League (WCL) represents the neighborhoods of Greenview, Hillview, TAWA and Millwoods Town Center.

The Woodvale Community League was founded June 23, 1980. Our League has grown to become a large, sophisticated organization dedicated to providing services to the community.

The crowning achievement to date is the construction of the \$1.2 million Woodvale Community Centre on the Millwoods Golf Course. This facility is a community hall with extensive banquet facilities and a restaurant/lounge that serves as the clubhouse for the golf course and a pro shop.

Other facilities developed by the Woodvale Community League include the following:

- Jackie Parker Park including a new Spray / Adventure Park
- Woodvale Activity Centre
- Greenview playground and skating facilities
- Woodvale Playschool building (Activity Centre)
- Hillview playground and basketball courts
- John Paul I Playground and Shale Ball Diamonds

The community league has also been very involved in the Woodvale Beautification Project, planting trees and developing walkways in the communities.
